GOVERNMENT OF ARUNACHAL PRADESH
DEPARTMENT OF LAND MANAGEMENT
ITANAGAR

NOTIFICATION

The 9th October, 2024

No. LMD-13011(14)/6/2024/1206.—In exercise of the powers conferred by Section 4(1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013, the Governor of Arunachal Pradesh is pleased to notify the following instructions for regulating Social Impact Assessment and to prepare Social Impact Assessment Report and Social Impact Management Plan in consultation with the project affected people for strict adherence henceforth.

WHEREAS, the power and function of the appropriate authority under the Right of Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 vest in the Governor of Arunachal Pradesh which shall be exercised and discharged by him within the State.

WHEREAS, the Requiring Body, NHPC Limited has submitted requisition letters to respective D.C.'s vide No. NH/KHEP/HOP Sectt./2024/97 dated 4th May, 2024, an area measuring 1992.67 Hectares under Kamle District and Vide No. NH/KHEP/HOP Sectt./2024/96 dated 3rd May, 2024, an area measuring 1905 Hectares under Kra Daadi District and Vide No. NH/KHEP/HOP Sectt./2024/95 dated 3rd May, 2024 an area measuring 104 Hectares under Kurung Kumey District for developing Kamala Hydro Power project (1720 MW) and the requisition proposal has been further recommended and submitted by the respective Deputy Commissioners.

WHEREAS, it appears to the Governor of Arunachal Pradesh that the total area measuring 4001.67 Hectares is likely to be needed at the locality more fully described in the schedule below for the establishment of Kamala Hydro Electric Project (1720 MW). It is hereby notified that land in the locality/localities in the schedule below is likely to be acquired for the above said purpose at the expenses of requiring body.

WHEREAS, it appears that there is likely to displacement of human settlement in the proposed area, therefore there will be requirement of Social Impact Assessment as a result of acquisition of this land by the power developer NHPC Ltd. and families likely to be displaced shall have to be resettle due to the proposed land acquisition and as such Social Impact Assessment study shall be required for Rehabilitation and Resettlement of the likely project affected and likely displaced families.

WHEREAS, the Social Impact Assessment is required to be carried out in consultation with project affected people and Gram Sabhas to ensure a human, participative, informed and transparent process of land acquisition for development of Hydro Power with the least disturbance to the owners of the land and other affected families and provide just and fair compensation to the likely affected families whose land is likely to be acquired or proposed to be acquired or are likely to be displaced by such acquisition and make adequate provisions for such displaced persons for their Rehabilitation and Resettlement and to improve in their post-acquisition social and economic status and for matters connected therewith or incidental thereto.

WHEREAS, in this connection, a Social Impact Assessment Unit and Team shall be notified immediately after issue of this Notification for carrying out Social Impact Assessment in consultation with the likely project affected people and likely to be displaced families. The Social Impact Assessment Unit and the Team is authorized to enter the proposed area for consultation with likely displaced people and Gram Sabhas and conduct public hearing by giving wide publicity among the likely project affected families. The Social Impact Assessment Unit and Team shall take the consent of the project affected people and carry out the exercise in consultation with the likely to be displaced project affected people and shall not make any attempt of coercion or threat during the process of Social Impact Assessment.

The Deputy Commissioner/Administrator shall separately notify the name and contact details of the leader of the Social Impact Assessment Unit among the project affected people and the Gram Panchayat.

The entire exercise of Social Impact Assessment shall be completed within a period of four (4) months from the date of issue of this notification and the Social Impact Assessment Report and Social Impact Management Plan shall be handed over to the Deputy Commissioner for further publication and disclosed of summary of Social Impact Assessment report and Social Impact Management Plan among the likely project affected people and the Gram Panchayat.

NOW THEREFORE, this notification is made under the provisions of Section 4(1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 for carrying out Social Impact Assessment and to prepare Social Impact Assessment Report and Social Impact Management Plan in consultation with the project affected people who are likely to be displaced due to implementation of the Kamala Hydro Power Project (1720 MW) by the NHPC Ltd. in the localities described in the schedule below falling under Kamle, Kra Daadi and Kurung Kumey District, Arunachal Pradesh.
